The Western Home Monthly
Winnipeg, Canada.

October 10th, 1917.

Sir Robert Falconer,
President, University of Toronto,
Toronto, Ont.

Dear Sir Robert,

We would like very much to have the honor of publishing a message from you to the West in the Christmas Issue of The Western Home Monthly.

The Magazine has a circulation throughout the three Western Provinces in excess of 40,000. Thousands of its subscribers are at present doing their duty overseas and we feel sure that a word from you at a time like this would be a comfort and an inspiration to our people. Many of our readers are from your own Province and to them your message would be of very special interest. We hope to publish similar messages from other leading Canadians and trust your many duties will allow you a spare moment for the suggestion that we have advanced.

Yours very truly,
